Silence & Reflection

Prayer

Lord's Prayer

Our Father, who art in heaven, hallowed be Thy name.

Thy kingdom come. Thy will be done on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses

as we forgive those who trespass against us.

And lead us not into temptation, but deliver us from evil.

For thine is the kingdom, and the power, and the glory for ever.

For Good

I've heard it said that people come into our lives for a reason
bringing something we must learn.

And we are lead to those who help us most to grow,
if we let them, and we help them in return.

Well I don't know if I believe that's true,
but I know I'm who I am today because I knew you.

Like a comet pulled from orbit as it passes a sun
Like a stream that meets a boulder halfway through the wood
Who can say if I've been changed for the better?
But, because I knew you, I have been changed for good.

It well may be that we will never meet again
in this lifetime, so let me say before we part,
so much of me is made from what I learned from you.
You'll be with me like a handprint on my heart.
Now whatever way our stories end
I know you have rewritten mine by being my friend.

Like a ship blown from its mooring by a wind off the sea
like a seed dropped by a sky bird in a distant wood
Who can say if I've been changed for the better?
But because I knew you - because I knew you -
I have been changed for good.

And just to clear the air I ask forgiveness
for the things I've done you blame me for.
But then I guess we know there's blame to share,
And none of it seems to matter any more.

Like a comet pulled from orbit (like a ship blown from its mooring)
As it passes a sun (By a wind off the sea)
Like a stream that meets a boulder (Like a seed dropped by a bird)
Halfway through the wood (in a distant wood).
Who can say if I've been changed for the better?
I do believe I have been changed for the better.
And because I knew you, because I knew you
because I knew you, I have been changed for good.

Defying Gravity

Something has changed within' me...something is not the same.
I'm through with playing by the rules of someone else's game.
Too late for second-guessing, too late to go back to sleep.
It's time to trust my instincts, close my eyes and leap.
It's time to try defying gravity.
I think I'll try defying gravity,
and you can't pull me down.

I'm through accepting limits 'cause someone says they're so.
Some things I cannot change but 'til I try, I'll never know.
Too long I've been afraid of losing love, I guess, I've lost.
Well, if that's love, it comes at much too high a cost.
I'd sooner try defying gravity.
Kiss me goodbye; I'm defying gravity,
and you can't pull me down.

Unlimited...my future is unlimited.
And I've just had a vision almost like a prophecy.
I know it sounds truly crazy, and true, the vision's hazy.
But I swear someday I'll be up in the sky, defying gravity.
Flying so high, defying gravity.
They'll never pull me down.

So if you care to find me, look to the western sky.
As someone told me lately:
Everyone deserves the chance to fly!

And if I'm flying solo, at least, I'm flying free.
To those who'd ground me, take a message back from me.
Tell them how I am defying gravity.
I'm flying high, defying gravity.
And soon I'll match them in renown.
And nobody in all of Oz,
no Wizard that there is or was
is ever gonna bring me down. Ah!
