

The Asbury Update

April 2021

Asbury Memorial Church
Rev. Billy Hester

Volume 34, Number 4
April 2021

You are invited on Holy Saturday

All are welcome to participate to an outdoor Easter celebration tradition in the Asbury Memorial courtyard and sanctuary this Saturday, April 3, 2021, from 10 a.m. to 12 p.m. At this time the congregation is invited to bring flowers to assemble a living cross. This is a long-standing tradition at Asbury Memorial Church and one that we share with other Christians as a witness and testimony to the Risen Christ. We each contribute a bit of beauty and when all our gifts are combined, a magnificent creation emerges!

The event is designed to be touchless and with health safeguards in place. *Masks are required.* See the diagram below for details on our journey to the cross. For those who prefer, there is an alternative route that remains completely outdoors. For those who would like to breathe the fresh scent of lilies and have a moment of prayer in the sanctuary, you will have that option after adding your flowers to the cross in the courtyard. The staff is excited to have this opportunity to share our love of Christ with the community and with one another. Please come if you can!

Asbury Community Cares Fund

Some Financial Relief May Be One Application Away: Asbury Community Cares Fund

Friends, these are hard financial times for some in the Asbury community.

An 'Asbury Emergency Funding Task Force' was created to help ensure no Asburian lost their home due to the pandemic.

We were thinking of and praying for you while we worked!

Please do not let pride stop you from applying to see if there might be some financial assistance available to help you through these difficult times.

Time may be running out to apply for some of these grants!

If you need financial help with your rent, mortgage, utilities and other things, please don't let pride stand in your way when there might be help just one application away.

Asbury has partnered with the experts at the non-profit Family Promise to help both individuals and families try to find financial resources that best fit your situation:

If you live in the city of Savannah, or Chatham, Effingham or Bryan county, there may be help for you through some emergency state, county and/or city grants. Again, **time may be running out to apply for these grants! Do NOT delay in applying!**

There is also a fund called the Asbury Community Cares Fund, given by Asburians *just* to help people in the Asbury community. This fund may be able to help you!

With one application through Family Promise you can apply for emergency state, county and city grants, as well as the Asbury Community Cares Fund, which was donated by Asburians *just* to help people in the Asbury community.

For fastest assistance, apply online: familypromisesavannah.org/amc (lower case amc)
If you have questions or need a paper application, call Family Promise at 912.790.9446.

Local Resources

The Coronavirus pandemic has stressed our resources in many ways: mental, emotional, financial, relational and spiritual. Your staff has compiled a list of resources to help folks with small businesses, to address budgetary changes, to find the latest information on symptoms and steps to take if you are ill, resources for mental health, obtaining food, and considerations for children and elders.

Go to the church website: www.asburymemorial.org and click on the COVID RESOURCES icon for more information. The resources will continue to grow and evolve as conditions change. Be Well! There is support in our community to ensure that you maintain a good quality of life and your church family is committed to your welfare.

Green Team News!

We had a great Asbury Green Team meeting on Tuesday, March 16. Thanks to all who showed up on Zoom!

The next Green Team Zoom meeting will be April 20 at 7 pm.

David Alley will present what he's learned about adding solar panels to your roof!

The Green Team will host a socially distanced river clean up on Saturday, April 17th. It will take place at the public boat ramp at Hayners Creek, right next to Jennifer Lindsay's house just south of Montgomery Crossroads. River clean ups are where people go out in canoes and kayaks to enjoy nature and collect trash along their trip. Nick Deffley says he has done this with groups a few times, and it is always an incredible experience to be out on the water, but also very eye-opening to see how much trash is in our marshes and waterways. It feels great to make a difference by cleaning up the natural surroundings.

There is more and more of a push to celebrate the entire month of April as "Earth Month" rather than just celebrating Earth Day on April 22nd. That's true for Savannah this year as well, with the focus on making "Earth Day Every Day" and a calendar of events held throughout the month hosted by various local community organizations and nonprofits. You can see the current event calendar posted on the Savannah Earth Day website: www.earthdaysavannah.org. We see this as a great public relations and visibility opportunity for the Church and the Green Team. Asbury Memorial Green Team will be listed as hosting the event on the Savannah Earth Day page, which we think will attract a lot of people outside of the Asbury circle.

We will send out an email with specific details about this project. But for now, ***save the date!***
Saturday, April 17.

All are invited—you do not have to be a “member” of the Green Team. Join us!
