We Give Thanks for the Asbury Beehive

*The bee is more honored than other animals, not because she labors,
but because she labors for others.*

St. John Chrysostom

Bees love Asbury Memorial! We knew that the first time we shockingly saw honey seeping down Asbury's walls. After unsuccessfully running the bees out of town, we wised up and decided to celebrate them. Thus was born Asbury's *Heavenly Honey*!

For a long time, bees have been showing us that Asbury is a special place. Like a beehive, Asbury is filled with busy-bee workers, servants, seekers, and explorers – all making an impact within the hive and without.

Just as God led Moses to a land of milk and honey, we have been led to Asbury Memorial. For this, we give thanks. Even in the midst of a pandemic, we have so much to be thankful for.

That's why our Stewardship Team has decided that our theme for this year's stewardship emphasis is "WE GIVE THANKS." Under the leadership of chairman, Michael Dayoub, our Stewardship Team will be helping us celebrate our blessings and encouraging us to respond to God with hearts of gratitude and praise. The Team will also remind us that like every honeybee, every Asbury member plays an important part in the success and livelihood of the Asbury beehive.

During the worship services this month, members of our congregation will have the opportunity to reflect on what they are thankful for. Some people will actually be sharing these blessings with us and letting us know how Asbury has impacted their life. We look forward to getting to know more about our church siblings. We will continue this practice into November - the month we will make our pledge/gifts for 2022.

It's Spooky to be Hungry

The Asbury Angells Youth Group is hosting their 1st annual food drive to benefit the food pantry at Wesley Oak Church.

October 1st - October 31st

Bring in non-perishables by Oct. 31st, or schedule a pick up from your house with Youth Leadership.

Dear fellow Asburians,

Currently, we print a section on the back page of the weekly Bulletin under the header

Our Tithes and Offerings for the Year

Under this section we have:

The Weekly Budget Need

Given Last Sunday

Year-to-Date Budget Need

Year-to-Date Received

In the past, these numbers were more relevant. Now with the changes due to the Pandemic as well as how people give to the church, those figures do not really give a true picture of the financial health of Asbury. For many reasons, the Finance Committee discussed these issues at length and decided that in the near future, we would remove the figures from the Weekly Bulletin and start putting financial figures in the Monthly Newsletter.

Each month we will list the following information:

As of August 2021

| | |
|-----------------------------------|------------------|
| YTD Budgeted Contributions | \$484,018 |
|-----------------------------------|------------------|

| | |
|-------------------------------------|------------------|
| Actual Year-To-Date Expenses | \$406,231 |
|-------------------------------------|------------------|

| | |
|--|------------------|
| Actual Year-To-Date Contributions | \$399,023 |
|--|------------------|

Average Worship Attendance 316

We would also like to remind everyone that as always, should you ever have a question about the finances of the church, please contact the church office by emailing to church@asburymemorial.org or calling (912) 233-4351. The office staff will be happy to help.

Thank you,

Asbury Community Cares Fund

Some Financial Relief May Be One Application Away: Asbury Community Cares Fund

Friends, these are hard financial times for some in the Asbury community.

An 'Asbury Emergency Funding Task Force' was created to help ensure no Asburian lost their home due to the pandemic.

We were thinking of and praying for you while we worked!

Please do not let pride stop you from applying to see if there might be some financial assistance available to help you through these difficult times.

Time may be running out to apply for some of these grants!

If you need financial help with your rent, mortgage, utilities and other things, please don't let pride stand in your way when there might be help just one application away.

Asbury has partnered with the experts at the non-profit Family Promise to help both individuals and families try to find financial resources that best fit your situation:

If you live in the city of Savannah, or Chatham, Effingham or Bryan county, there may be help for you through some emergency state, county and/or city grants. Again, **time may be running out to apply for these grants! Do NOT delay in applying!**

There is also a fund called the Asbury Community Cares Fund, given by Asburians *just* to help people in the Asbury community. This fund may be able to help you!

With one application through Family Promise you can apply for emergency state, county and city grants, as well as the Asbury Community Cares Fund, which was donated by Asburians *just* to help people in the Asbury community.

For fastest assistance, apply online: familypromisesavannah.org/amc (lower case amc)
If you have questions or need a paper application, call Family Promise at 912.790.9446.

Local Resources

The Coronavirus pandemic has stressed our resources in many ways: mental, emotional, financial, relational and spiritual. Your staff has compiled a list of resources to help folks with small businesses, to address budgetary changes, to find the latest information on symptoms and steps to take if you are ill, resources for mental health, obtaining food, and considerations for children and elders.

Go to the church website: www.asburymemorial.org and click on the COVID RESOURCES icon for more information. The resources will continue to grow and evolve as conditions change. Be Well! There is support in our community to ensure that you maintain a good quality of life and your church family is committed to your welfare.

Green Team News!

Asbury's Green Team met on September 21. Our guest presenters were Maria Vaughn and Michael Wedum from COR Compost Savannah. Maria and Michael explained how simple diversion of our food waste can produce valuable soil as well as reduce harmful CO2 emissions. Chuck Eyler also made a presentation which highlighted climate related disasters so far this year as well as summarized some local initiatives to combat climate change.

The next meeting of the Asbury Green Team is Tuesday, October 19 at 6:30 pm

GOD ON BROADWAY

where Theology meets Theatrical

POSTPONED!

Each Sunday in October, the regular worship service in the Asbury Memorial sanctuary revolves around themes of a different Broadway musical, using songs and characters from that particular show. The spirit of each Sunday's selection influences the entire service; and the Rev. Billy Hester centers his inspiring, and often amusing, sermon on the lessons of the musical and scripture. He and wife Cheri, both veterans of Broadway and off-Broadway productions, have shared their special talents with our congregation and the local community since the early 1990s.

Please consider joining us for one or more of these joyful services. "God on Broadway" is a whole new approach to spirituality and the quest to grow close to God and the love of Christ. We are sure that the experience will bless you.

PLEASE

THANK YOU

Greetings, Asburians!

As our ability to interact in person may be limited, we need to remember that we are not alone: that we are still a vibrant faith community and God is present in the messiness of our lives to love us, lead us and witness our daily strife and pleasures.

Mission Statement:

Asbury Memorial is a place where all people can develop their spirituality, use their talents, and grow in faith as we seek to love, serve, and celebrate God, each other, and our community.

WESLEY OAK LEAF

WORSHIP AT WESLEY OAK CHURCH

"I was glad when they said to me, let us go to the house of the LORD!"

During the remaining months of 2021, we will celebrate Youth Ministry, World Communion, All Saints Day, Thanksgiving, Advent and Christmas. Hours to express our gratitude and thanksgiving, to encourage one another, to be renewed for serving in these times.

On Sunday, September 26th, Wesley Oak welcomes Chris Kincade and Rev. Danny Beam, to lead the morning service. Chris is the Youth Director at Asbury Memorial, and as part of the sermon, he will share in the service his vision for youth ministry for both Asbury and Wesley Oak. Danny returns to serve Holy Communion and to offer the morning music for the hour. We appreciate their witness and leadership.

Sunday, October 3, is World Communion Sunday, a day to remember all those who have found themselves on the margins of life, in need of necessities, in need of health care, in need of relief from fear, nurturing, education, in need of reconciliation, justice, and mercy. The morning will be filled with prayers and an uplifting of ways in which we are able to serve these our brothers and sisters. We will also want to fill the back pews with canned goods and dry goods for the food bank and bring school supplies as well.

November brings ALL SAINTS SUNDAY on the 7th, and then HOMECOMING SUNDAY on the 14th (One Hundred Eleven Years in Ministry), and THANKSGIVING SUNDAY on the 21st. The Season of Advent will begin on Sunday, November 28th. We will light the first candle, the candle of HOPE.

JOHN WESLEY'S RULE

*Do all the good you can. By all the means you can. In all the ways you can.
In all the places you can. At all the times you can. To all the people you can.
As long as ever you can.*

COLLINS CORNER: The Beauty of Difference

One of the most important things I've learned along my work path is the value of diversity. I've been employed in variety of environments, and all of my experience has been an opportunity for growth. There have been plenty of changes and I'm grateful for the chance to learn what works best to have satisfaction and advancement in all areas.

Some of the best places I've been had successful and happy employees due to their focus on embracing differences. Everyone was considered worthy and encouraged to offer their gifts to help develop good working relationships. When people felt seen and heard, they worked better together, it increased innovation and company profit. It was a winning combination and that type of process can be carried over into personal relationships in different environments.

Along the way, I noticed when things became too routine, and communication and openness were low, people really struggled to stay. Once it became clear things were stagnant and there was a failure to see what others to bring to the table, incentives were offered and people were rewarded for their hard work. Productivity increased and people were back to enjoying each other and their workplace.

It doesn't take much to value one another. To see gifts and work together to combine those gifts to make everything and everyone better. I believe we are truly better together and have so much to offer. Give someone who is different from you a chance... hopefully they will do the same for you. The world deserves our contributions and we deserve happiness in unity.

LOVE TO ALL,
PC
