# FROM THE DESK OF THE DIRECTOR OF JOY

## Stewardship By the Numbers

What is stewardship? At its most basic, the word "stewardship" refers to our best use of those resources that God has given us: including our time, our talents, and our money. As followers of Christ, and members of a church, stewardship is also about how we use these resources in the service of Christ through our support of the ministries of the church. It's fair to ask ourselves, how are we doing.

In terms of our giving in 2023, here are some numbers. Last year 155 households made pledges totaling \$515,337 to support our budget of 736,000. Total income for the year, including paid pledges, other gifts, and other income (rent, bequests, etc.) was about \$683,100. The budget was slightly underspent, and we covered the rest (about \$14,670) with a withdrawal from our savings account.

Here's how your contributions enable the church to show Christ's love for our church's members and friends. We hosted 104 live Sunday worship services at our two campuses and online. Our average Sunday morning worship attendance in 2023 was 166 at the Asbury campus, 40 at Wesley Oak, and 140 online via Live Stream between both campuses.

Our children and youth were involved in ongoing and occasional fellowship, educational, and recreational events.

Our 7 trained Stephen Ministers having built caring relationships with 13 members and constituents. We hosted an average of 70 at church fellowship dinners. Stephen Ministers, staff, and church members visited sick, shut-in, or grieving households.

We produced 5 "God On Broadway" worship services, as well as weekly dramatic and musical enhancements in our worship. Our pastor and his wife led a *Renewal of Vows* ceremony for couples on Valentine's Day at Asbury Memorial, and he led or assisted at 11 memorial services for church members and others during the year. Our church's Emergency fund, which we support through a special offering at Christmas, assisted 31 households with gifts totaling \$9,128. Our church also supplied food for children in need, as well as giving Christmas gifts to children and families who might otherwise have had none.

Now, looking forward, our budget for 2024 is 772,000. It includes plans for all the ministries we supported in 2023 plus a hope for some ministries we've not yet funded.

To support these ministries, we currently have 136 pledges totaling \$509,452. Given past experience, we also expect other income (unpledged gifts, cash, use of space donations, and bequests) of \$148,000 for a total of \$657,152.

You can see that if you haven't yet made a pledge to support Asbury Memorial Church financially, now would be a good time to do so. If you feel led to increase your pledge, that, too, would make a difference. Please be generous. We're hoping this will be a great year for the Asbury Memorial/Wesley Oak community of faith. We can each do our part, as witness to our faith in Christ through our responsible stewardship. And thanks be to God for our faith, which calls us to love God and love our neighbors in all that we do.

~ Rev. Richard Allen

February 2024

## OKEFENOKEE PRAYER VIGIL

December 6th

[READ MORE >>>](#)

The Green Team is back with an exciting calendar of events for 2024. We plan to organize one field trip per month on Saturday mornings and early afternoons. We are in the final stages of confirming dates and we should be able to share a calendar with you soon so you can plan ahead.

Our field trips have two purposes:

- To enable our members to see first-hand the good work that Savannah area environmental organizations are doing
- To advocate for environmental protections with government agencies and businesses in our area that are vital to our local economy and well-being

Some of the organizations we plan to visit in 2024 include:

- Oatland Island Wildlife Center
- Re-Purpose Savannah
- Ogeechee Riverkeeper
- Gulfstream
- Skidaway Marine Science Center
- Hyundai Metaplant
- Heritage Organic Farms

Members of the Coastal Interfaith Green Team joined representatives from Jewish, Catholic, and Protestant faith communities across Georgia at the Okefenokee National Wildlife Refuge near Folkston for a prayer vigil on December 6. The purpose of the gathering was to urge lawmakers to enact Georgia House Bill 71, "The Okefenokee Protection Act" during their upcoming legislative session. The bill would restrict the issuance of mining permits on the Trail Ridge section of the Okefenokee. An Alabama-based company, Twin Pines Minerals, is seeking authorization to mine for titanium dioxide, a product that is used in cosmetics, toothpaste, and food products such as Oreo Cookies. While the mining company insists its work will not harm the swamp, the consensus opinion of hydrologists and other environmental scientists is that the mining would cause irreparable harm to the Okefenokee, the largest wildlife refuge east of the Mississippi.

The vigil was organized by Georgia Interfaith Power and Light, a nonprofit organization whose mission is to mobilize Georgia's faith communities in protecting the environment. The Coastal Interfaith Green Team is an affiliate of Georgia Interfaith Power and Light.

# SMART RECOVERY FOR INDIVIDUALS

**Do you want to address an addiction problem or harmful habit? With our practical tools based on cognitive and motivational psychology and addiction research, SMART Recovery helps you make and sustain positive changes that lead to a balanced life.**

Through our meetings, tools, and strategies, SMART can help you stop harmful habits and behaviors, including addiction to alcohol and other drugs, or negative behaviors related to relationships, sex, spending, gambling, eating and exercise disorders, and self-injury.

SMART Recovery is unique. Our science-based approach emphasizes self-reliance, self-resilience, and self-empowerment. With SMART, you are the expert on your recovery. You choose how to personalize your plan for successful change. There's no requirement to commit to a lifetime of SMART Recovery meetings. You decide when and if the time is right to move on.

## SMART and Other Recovery Groups

SMART Recovery believes that people find their own paths to successful recovery. For some, that path may include 12-step programs or other support groups. Although SMART's approach differs from those of other organizations, it does not exclude them. We recognize and support the fact that many individuals benefit from participating in more than one support community.

## Get Started

Ready to get started? SMART Recovery hosts online and face-to-face meetings around the world. Our online message board is an excellent forum to learn about SMART and get 24/7 support.
