## Asbury and Wesley Oak members and friends,

Asbury Memorial Theatre is making plans for future productions, and we need your help.

We want to choose shows and venues that are great for you, so please complete a short survey for us.

Just cut and paste the link below into your internet browser and it will open the survey. Complete it and submit. The results will come automatically to us. We will tabulate the results in late June and report our findings to you later this year.

Also, we will have some exciting news about a play coming to Asbury Memorial Church in September. So check the monthly newsletters and listen to the announcements from the pulpit on Sundays this summer for more information. And thanks so much for completing the survey.

# Study Groups & Fellowship Groups

Asbury Memorial offers a wide variety of study and fellowship groups.

We are excited about the rich and varied opportunities for adult study and fellowship, some via Zoom. We hope that you will join in one or more of the programs.

## **Adult Ministries 10 o'Clock Hour & Wednesday Night Programs**

10 o'Clock Hour will return in the fall.

Stay tuned, a Wednesday Night program is being developed as we go to press!

### **Wisdom Seekers**

**Mondays, 1:30—3 pm**

The group will reconvene on June 6th to determine what their choice of a book, movie, podcast, or video the group prefers. One thing for sure the group loves the honest, compassionate conversations that come up when they get together. Any questions about the group email Margaret Clay at [margaretclay@comcast.net](mailto:margaretclay@comcast.net).

Zoom Meeting ID: 864 8291 0310, Passcode: Asbury

### **Men's Group**

June 2<sup>nd</sup> will start yet another iteration of our discussion and fellowship. We have elected to continue to meet via Zoom as several of our members are no longer located in convenient distances from Asbury. However, this does not mean we do not see each other as we just had a luncheon at the Wyld Dock Restaurant.

If you're looking for a group of men where **sharing is a major part of the gathering** then just join in the Thursday Zoom or contact me. We have a full range of life's experiences – 12 Step programs, divorce, career changes, multiple jobs, and location changes. If you have had any of these challenges or others - you are MOST welcome. We're not here to solve, rather to listen and learn.

This month we begin our new format - individual "check in" (sharing) and then discussion. The discussion will revolve around a topic which is determined by the week's guide (a group volunteer). Our topics may include a book you have read, a current event - preferably not political, a theological point, Scripture, or a God moment. The group also decided that we will not have a topic every week rather we will include, at least once a month, a plain fellowship Thursday – where we all try to talk at once. Zoom Meeting ID: 844 3633 5506, Passcode: Asbury

June's weekly schedule includes: June 2<sup>nd</sup>—fellowship, June 9 & 16 discussion, June 23—fellowship, June 30 – discussion.

Please join in!! Bill

Should you have questions please contact Bill Jahn at [viajahn@gmail.com](mailto:viajahn@gmail.com) or Preston Hodges at [prestonhodgesjr@gmail.com](mailto:prestonhodgesjr@gmail.com).

### **Course in Miracles**

**Facilitator: Rev. Marilyn Leigh**

**Thursdays, 4:00 to 5:30 pm**

The Course in Miracles study group is dedicated to the study and practical application of A Course in Miracles to our daily lives. Our group allows the Course to guide us in becoming and expressing the Love that is the truth about us. It teaches the true meaning of forgiveness and challenges us to put God first in our lives. If you are interested, contact Rev. Marilyn Leigh at [revleigh@yahoo.com](mailto:revleigh@yahoo.com).

Greetings, Asburians!

As our ability to interact in person may be limited, we need to remember that we are not alone: that we are still a vibrant faith community and God is present in the messiness of our lives to love us, lead us and witness our daily strife and pleasures.

Here are some ways to stay connected and some comforting resources:

## IN THE GARDEN

The garden is planted and continues to be planted and plants are growing and glowing with the morning dew! We are looking forward to days of harvest, but it is quite lovely now to be amidst the growing plants. The Joy Cottage Garden is gradually getting back to not only growing things but also to being a gathering place for all to enjoy quiet time, fellowship, and special dining times.

Earth Day, May 22<sup>nd</sup>, reminded us to give thanks for the earth's bountiful goodness. *"All nature sings and round me rings the music of the spheres!"* May we hold the earth in our prayers and work even more to care for her through acts of conservation and recycling. Perhaps you may enjoy spending some time serving in the Joy Cottage Garden! Get your gloves and hat on and find your row!

## COLLINS CORNER

Don't You Forget About YOU.

We all get busy. Too busy. I know I'm guilty of packing my plate way too full at times... but, I'm learning some valuable lessons with scheduling smarter and not harder. I tend to put more pressure on myself than I should, and that results in less self care. Do you put everyone and everything else first? Do you overload your schedule and hope that there will be some time to relax eventually? I feel like this is a fairly common practice that needs some adjustment.

In all that busyness, we need to remember that WE personally need time in the schedule. Maybe that starts by doing something that brings you joy. What's important to you? Are you giving that enough time or compromising what makes you happy? What do you love about yourself? What do others love about you? Are you able to look in the mirror and give yourself a compliment?

I think it builds self worth and confidence to see the value in yourself. It may seem cocky or selfish to some people, but we really don't take enough time to appreciate what we bring to the world. We all have gifts and it's important to acknowledge our contributions...even if just to ourselves.

I know plenty of people who are kind hearted and live a true life of service. They never complain, they stay busy, and they hardly rest. They bring so much, and deserve self care time. They need time to focus on themselves, be grateful for the gifts they share AND know they need to recharge to be their best version.

So, maybe live in Me-Ville more often. Just visit it now and then...know you are amazing, talented, kind, worthy, beautiful, handsome, sweet, loved and cherished. To yourself and so many others...

Love you!

PC
