FROM THE DESK OF THE DIRECTOR OF JOY

How Can I Give? Part 4

I Can Give the Church Something of Value That I No Longer Need

It occurred to me this morning as I looked in my closet that it's time for a clothing purge. Lots of old things are getting in the way of finding something that I might wear. I need to let some of these pants, shirts, and shoes go to someone who needs them more than I do. I know better than to give old clothes to the church, but I started to think about using some of those things we no longer need to help finance our church's ministries.

Maybe you have something that you no longer need that you might use to help the church meet its financial goals for the year. Maybe you have something that you needed, or thought you needed, but you don't need it anymore.

Maybe you have an old car, or a boat that you used when your children were younger, or a motorcycle that you used to ride along the Blue Ridge Parkway. And now you no longer use this kind of gas guzzling investment. You could sell it, or just give it to the church. Such a donation might even save you the costs of maintenance, fuel, or insurance costs. A win for both you and the church!

Or maybe you realize that you no longer need your whole life insurance policy. It helped you sleep better when your children were young, but now you just keep it in a drawer, nearly forgotten. Maybe it's not so necessary. If that's true, gifting it to the church would be one way to put it to good use.

In the same way, you could also donate appreciated stocks, bonds, or mutual funds to the church. Giving appreciated securities has a possible benefit to you as well. Donating securities that have grown in value over time the church not only provides income to the church at the appreciated value.

2024 stewardship **PLEDGE**

And you might also avoid having to pay a capital gains tax. That's another "win/win" possibility (be sure to check with your tax preparer).

Thinking about a drive on the Blue Ridge Parkway also reminds me that I once bought a building lot up near Brevard, NC, knowing that I would be living in a parsonage most of my life, and I might want to build a retirement cottage up there one day. I didn't; I sold the lot to a neighbor. But I can imagine that if I still owned that lot, I could donate it to my church. It would be easier to give it away than to sell it perhaps, and there might be a big deduction if I did so.

These are just a few of my "out of the box" ideas. Maybe you can think of something that might be both easy and beneficial to you to give to a charity (like our church) rather than hanging on to it. If you think of something else, let me know. And enjoy your summer! Speaking of summer, I have two more quick thoughts. First, any of the above suggestions could also be used as a contribution to the church's fledgling endowment. That way, your gift might keep on giving for quite a while.

And second, thanks for keeping your pledge up to date and making your contributions during the summer months. When vacations begin, church attendance (and giving) often drops. But expenses persist. Remember Asbury Memorial as you enjoy Savannah (and beyond) this summer! Thanks!

COASTAL INTERFAITH GREEN TEAM

June 2024

In April, members of the Coastal Interfaith Green Team watched the film Common Ground and learned about regenerative agriculture as a way to protect our soil and food supply and mitigate global warming. As a follow-up, on May 25th Green Team members visited Whippoorwill Farms, one of the premier regenerative farms in our area. The farm is located in Ridgeland, South Carolina and is about a 45 minute drive from

mid-town Savannah. Despite the distance Whippoorwill Farms provided an eye-opening illustration of how effective and environmentally friendly regenerative agriculture really is.

The tour began and was led by one of the staff members of the farm and demonstrated how vegetables, row crops, and animals all work together to create a resilient eco-system. Produce, eggs and meat was available for purchase at the conclusion of the tour

COME & JOIN IN!

THE CHANCEL CHOIR REHEARSES ON SUNDAY MORNINGS AT 8:30 A.M. EACH WEEK. IF YOU ARE INTERESTED IN BEING A PART OF THE MUSIC AT WESLEY OAK CHURCH, PLEASE CONNECT WITH J.J. COLLINS, DIRECTOR. WE WOULD LOVE TO HAVE YOU JOIN US!

Come Help in the Garden!

Have you ever wished you had the space for a big garden with a ton of sun? Guess what...you do! Wesley Oak has had a long-standing tradition of putting in a garden every year. We cannot do it alone. We have a small team, but we need more help. We need people to help plant, water and weed on a regular basis through the season.

If you have time, love to be outside, and could help out on a weekly or bi-weekly basis, please do let us know. We will work up a schedule and get you in the loop ASAP. You set your own times - we just need to make sure we have days covered.

BIG NOTE: You do NOT need to be a gardener. This is a fun thing and we want all to be able to reap the rewards. Any and all help is greatly appreciated!

WESLEY OAK'S BOOK EXCHANGE

Wesley Oak has a book exchange! Do you have a book you just loved? Did you read something that inspired you? Is there a book you think others would enjoy reading? Donate it!! Everyone is encouraged to participate in the donating and borrowing of books. Once you read the book, just return it back to the library at Wesley Oak. Borrowers are encouraged to write a little something in the book for the next person to read.

Stephen 💮 Ministry

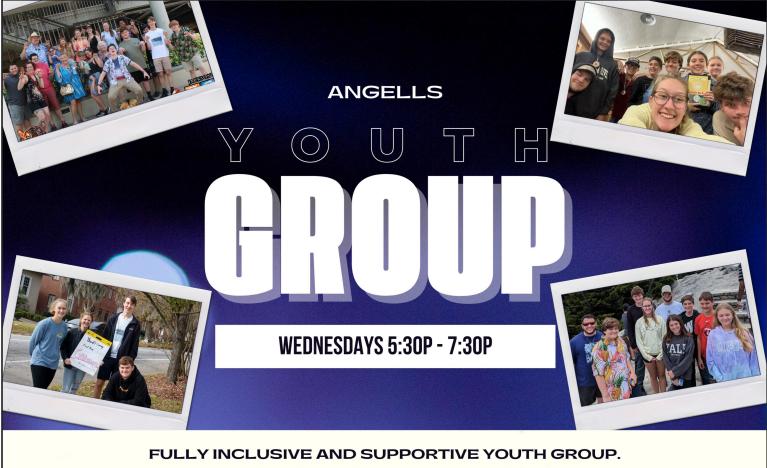

Stressed? Discouraged? Lonely? Sad? Don't Suffer Alone. Help Is Available. Sometimes we fall into a trap where we think it's a sign of weakness to ask for help. So when we're stressed, discouraged, lonely, or sad, we try to keep our struggles hidden and are reluctant to ask for help. However, that's not God's plan. Galatians 6:2 says, "Bear one another's burdens, and so fulfill the law of Christ." God wants us to care for others-and allow others to care for us in our time of need. If you're sad or struggling inside, don't suffer alone. Ask for help. We've got a team of Stephen Ministers who are ready to provide confidential one-to-one care, encouragement, and support to help you through a tough time. Find out more about Stephen Ministry by talking with Candace Jenkins 912 233 4351. Our Stephen Ministers are ready to bring God's love and care into your life.

Through our meetings, tools, and strategies, SMART can help you stop harmful habits and behaviors, including addiction to alcohol and other drugs, or negative behaviors related to relationships, sex, spending, gambling, eating and exercise disorders, and self-injury.

SMART Recovery is unique. Our science-based approach emphasizes self-reliance, selfresilience, and self-empowerment. With SMART, you are the expert on your recovery. You choose how to personalize your plan for successful change. There's no requirement to commit to a lifetime of SMART Recovery meetings. You decide when and if the time is right to move on.

SMART and Other Recovery Groups

SMART Recovery believes that people find their own paths to successful recovery. For some, that path may include 12-step programs or other support groups. Although SMART's approach differs from those of other organizations, it does not exclude them. We recognize and support the fact that many individuals benefit from participating in more than one support community.
